CERTIFICATE OF INTERNSHIP

This is to certify that **Ms. Sania Valerie Fernandes from Christ (Deemed to be University), Kengeri, Bangalore, Karnataka 560074.** Has successfully completed her 4 weeks internship at **Albert Developers** from 1st May to 30th May 2026, as a Civil Engineering Intern.

During the internship, the intern gained practical exposure to construction activities through site visits, including construction layouts, sequencing of activities, reinforcement detailing, and site supervision. The intern also assisted with office tasks such as daily report preparation and project documentation, gaining an understanding of construction management practices.

We found her extremely exquisite and hard working. Her keen interest to learn the function of our division and also willing to put her best efforts and get into the depth of the subject to understand better.

Her association with us was very fruitful and we wish her all the best in her future endeavours.
